Dear Sirs,

### Re Card Status

Further to the recent recommendation by our Area Field Technician, Jordon Hughes, I am pleased to advise you that the Level 1 blue status Armourplan installer cards for Jack Cockman and Chris Cockman have been upgraded to the green status Level 2 and enclosed herewith. This is based on Jordon's recent inspections at the 357 Exeter Road project.

Green Status cards are valid for a period of three years after which time, retraining may be recommended to ensure an up to date knowledge of products and processes.

If you have any concerns or questions regarding any aspect of this letter, please do not hesitate to contact me on our direct training line, 01509 501738, or Jordon directly on his mobile number 07920 848229, where we shall be happy to receive your call.

Yours faithfully,  
for SIG Design and Technology
